

Graduate Adolescent Earth Science (MA) Part-Time Course Sequence and Program Tracker – Spring Start

Academic Plan: ESCAE-MA

Students are required to complete 26-27 credits in Education Courses. In addition, a minimum of 16 Earth Science credits are required across the first 3 semesters. This is a recommended sequence of Education courses. Students must consult with the faculty advisors in Education and Earth Science to determine their individualized course of study before registering for classes.

Semester 1 – Spring

Education Courses

- SEDF 703 – Social Foundations of Adolescent Education (3 credits)

Semester 2 – Fall

Education Courses

- SEDF 704 – Adolescent Development, Grades 7-12 (2 credits, includes Fieldwork hours)

Semester 3 – Spring

Education Courses

- SEDC 710 – Building the Foundations of Literacy in Adolescent Education (3 credits)
- SEDC 720 – Adolescent Health and Safety (1 credit)

Semester 4 – Fall

Education Courses

- SEDF 705 – Educational Psychology: Applications to Adolescent Education (2 credits, includes Fieldwork hours)

Semester 5 – Spring

Education Courses

- SEDC 713 – Methods I: Advanced Study of Secondary Learning Environments for Teaching Mathematics and Science (3 credits)

Semester 6 – Fall

Education Courses

- SEDC 724 – Methods II: Intensive Study of Teaching Diverse Learners in Science, Grades 7-12 (2 credits, includes Fieldwork hours)
- SEDF 706 – Assessment of Teaching and Learning in Adolescent Education (2 credits, must be taken with a field-based course.)

Certification Exam

- Educating All Students (EAS) Exam. Students must pass before applying for Student Teaching.

Semester 7 – Spring

Education Courses

- SPED 708 – Teaching Students with Special Needs in Inclusive Settings (3 credits)

Certification Exam

- Content Specialty Test (CST) – Earth Science. Students must pass before applying for Student Teaching.

Apply for

Student Teaching / Practicum

Students must apply for student teaching/practicum. Refer to education.hunter.cuny.edu/fieldwork for full policies and procedures.

Graduation

Students must apply for graduation the semester before their planned graduation. Refer to education.hunter.cuny.edu/graduation-commencement for full policies and procedures.

Semester 8 – Fall

Education Courses

- SEDC 75404 – Student Teaching (5 credits) or SEDC 77414 and SEDC 77423 – Practicum (4 credits)

Exams

- edTPA. Students must prepare a portfolio of materials during their student teaching clinical experience to demonstrate readiness to teach including lesson plans and unedited video recordings of themselves at work in the classroom.

Apply for

Certification

Students must apply for certification in their final semester. Refer to education.hunter.cuny.edu/certification for requirements and step by step instructions.

Notes

- SEDC 7200 – Adolescent Health and Safety, is available every semester including summer and winter sessions.
- SEDC 7100 – Building the Foundations of Literacy in Adolescent Education, can be taken in semester 1 or semester 2. It is also offered in the summer.
- SPED 70800 – Teaching Students with Special Needs in Inclusive Settings, can be taken in semester 2 or 3. It is also offered in the summer with several fully online sessions.
- In addition to the Certification Exams, students must complete the DASA workshop prior to graduation. The DASA workshop can be completed at Hunter College or outside of Hunter College.
